

Content for SENATOR MCCASKILL Now Available on Pathfire's *Digital Media Gateway*

To streamline our services and provide content that is accessible 24/7/365, the **U.S. Senate** is now delivering individual senator content via Pathfire's Digital Media Gateway ("DMG").

To locate/view content for **SENATOR MCCASKILL**, do the following:

1. In the main DMG window, move to the navigation bar located on the left side of the screen. If you cannot see the navigation bar, move to the toolbar, and click the **Toggle Tree** button. 
2. With the navigation pane displayed, click the **Video News Feed (Master VNF Locator)** text.
3. From the expanded list, double-click on **VNF Provider B**. The right pane refreshes.
4. Click the **U.S. Senate** tab.
5. In the listing provided (sorted by state), locate **SENATOR MCCASKILL**, and then click on the senator's name. Any items available for this senator are displayed in the pane on the right.

The screenshot displays the Pathfire Digital Media Gateway interface. On the left is a navigation pane with a tree view containing categories like 'News', 'Network Feed', and 'Video News Feeds (Master VNF Locator)'. Under 'Video News Feeds', 'VNF Provider B' is selected, which has expanded to show a list of senators under the 'U.S. Senate' tab. The list includes (USSD) U.S. Senate, (AR1) AR, Lincoln, (AR2) AR, Pryor, (CA1) CA, Boxer, (CA2) CA, Feinstein, (CO1) CO, Salazar, (CT1) CT, Dodd, (CT2) CT, Lieberman, (DC1) DC, Senate De, (DE1) DE, Biden, (DE2) DE, Carper, (FL2) FL, Nelson, (HI1) HI, Akaka, (HI2) HI, Inouye, (IA1) IA, Harkin, (IL1) IL, Durbin, and (IL2) IL, Obama. The 'DC1' entry is highlighted. To the right of the list is a 'Quick Search' field. An inset window titled 'Preview' is open, showing a video player for 'United States Senate' with a video of the Capitol dome. The player includes a progress bar, volume control, and a 'Print Script' button. Below the video player, there is a text area that says 'The script information appears in this space.'

6. To preview an item, click on the **Story Number**. A new window opens and the video for the story begins playing.
